The London School of Dance does not discriminate on the basis of race, sexual orientation, creed, colour, or national origin in its admission procedures or educational policies. The School Director reserves the right to ask for the removal of any student or family who fail to adhere to the Terms and Conditions of Enrolment as well as the Code of Conduct of the School.

Class placement is on the advisement of the School Administrator. Advisement is based on the ability and age as set out by the Examination Rules and Regulations of our governing dance associations.

Each discipline level has a prerequisite course of study and a minimum hours of study requirement that must be followed to ensure successful completion of the level. Students who do not meet either of the above must do so before advancement is granted.

The London School of Dance reserves the right to rearrange or change the structure of the syllabus of any course, if in doing so, it is considered to be in the students best interest.

Tuition fees are laid out in the Registration letter. The school year covers 9 months of classes beginning in September and finishing the end of May. Lesson fees are subject to HST. Dance lessons qualify for the Government of Canada 'Fitness Tax Credit' for students 16 years and younger. Receipts are available on request.

All students with the exception of some 'Young Dancers' and some 'Explore Dance' and 'iMove Dance', are charged a Student Fee. This fee covers incidental charges associated with the dancer's year and includes the following:

1. Showcase Costumes
2. Showcase Contribution
3. Showcase Video
4. Student Locker (students registered in the Pre Professional program only)

Student fees vary according to level and Showcase costume size. Student fees must be paid at time of registration.

In lieu of Fundraising with Sunsweet, we will be charging a \$35.00 Showcase Contribution to all Students.

The London School of Dance does not charge a registration fee.

The London School of Dance offers a sibling discount of 5% off tuition fee for each additional child. Discount is taken off the lowest balance.

All tuition fees and student fees are due upon registration. Students will not be admitted into class unless the registration process has been completed. This process includes completing the following:

- Student Enrolment form
- Medical and Emergency Information and Release form
- Tuition Payment Plan including deposit payment, if utilizing the installment payment plan (As well as Post-Dated Cheques if applicable.)

The School will not prorate tuition in the event of incomplete registration or refund classes missed. Tuition arrears from previous years are payable before registration is permitted for the following year.
